Elcona Velvet Leader 2d.—The sire of this bull was Reserve Grand Champion at the Indiana All Bull Sale in March, 1949, and sold to Bernard and Jerome Gillooly for \$1,000. His sire is the famous Elcona senior herd sire, particulars of which are given in the footnote with Elcona's other entry in this sale. His dam, Rosewood of Aberfeldy, also produced the heifer that topped the Elcona-Shore Acres sale in March, 1946. She sold to E. Arthur Ball for \$3,000. Broadfield's Vanity 2d is one of the best cows in the Elcona herd. Her sire is \$4,000 Divide Grand Duke, head of the Broadfields herd for many years. The second sire in her pedigree is by Calrossie Command, son of Calrossie Control and the third bull is Calrossie Air Control, also by Calrossie Control.

Edellyn Royal Leader 22nd is the sire of Lot 2 and the grandsire of Lot 1. His calves have consistently been sale toppers and show winners. Here is a good opportunity to buy one of his sons to head your herd.

Elcona Velvet Rosewood 2nd is a half sister to Lot 1. She was sold for \$3,000 in the 1946 Elcona-Shore Acres sale to E. Arthur Ball.

Elcona Roland Leader—This bull's sire has made an enviable record in the Elcona herd. His offspring have won many championships and topped many sales. In the 1949 International, the average placing of his sons and daughters was first among the fifty-two Shorthorn exhibitors. In the Get-of-Sire group, his get stood second, being preceded only by the get of his own sire. The dam of Elcona Roland Leader is by Roland Clipper, one of the all time great Canadian bulls. The second sire in her pedigree is by Naemoor Jasper. The last five of her calves, both sexes, have sold for an average of \$650.

25 4-H Club Calves

At 11 o'clock on Monday morning, September 18, there will be offered for sale 25 excellent 4-H Club calf prospects. Among them are many prospects that should win in major shows.

Several years ago, realizing the need for the promotion of more 4-H Club activity, the Northern Indiana Shorthorn Breeders' Assn. decided to sell 4-H Club calf prospects along with their annual sale. Excellent results have been obtained. Many of the calves bought in previous Warsaw sales have been champions in leading Indiana shows. Shorthorn steers are good doers, put on extra weight at younger ages, and sell for more dollars. If you are looking for good steers to fit this year, why not come to the Northern Indiana Sale and look this offering over.

Northern Indiana has become one of the leading sources of supply in the Hoosier State. Each year consignments to this sale have become stronger and each year many new breeders have made purchases of quality individuals that have made excellent producers and money makers. Both commercial and purebred breeders have regarded this as a fountain-head for seed stock. Only those individuals that contribute to the progress of the breed were accepted for this event. Many such bulls as Sunset Bounce, pictured above, are now in service in Indiana herds. Study the list of consignors. You will notice that the most prominent herds of Indiana will be represented with strong offerings.
